**PERFORMANCE 3 'N 1
Extraction Bonnet Pre-Spray**

DESCRIPTION:

PERFORMANCE 3 'N 1 is a unique formulation designed to provide the benefits of extraction cleaning, bonnet cleaning and pre-spray in one product. Effectively cleans all types of soils including food and pet stains. This product is neutral, low foaming and has superior wetting ability. Safe for use on natural and synthetic fibers. Amber color with a green apple scent.

DIRECTIONS FOR USE:

NOTE: Test for colorfastness in an inconspicuous area before use.

Vacuum up all loose soil before you begin the cleaning operation.

EXTRACTION: Dilute at 1 oz. per gallon for use with portable extraction equipment.

TRUCK MOUNT: Dilute at 1 quart to 5 gallons of water.

BONNET: Dilute at 8 oz. per gallon of hot water. Immerse and saturate the bonnet, then wring out excess solution. Place the bonnet under a rotary machine and clean in a normal manner.

PRE-SPRAY: Dilute at 8 oz. per gallon of hot water. Spray solution via a low pressure sprayer on spots and in traffic lane areas on carpet. Agitate with a carpet rake or bonnet.

Reset pile of carpet by brushing in one direction while wet.

STORAGE AND HANDLING:

Keep out of reach of children. Store in a cool, dry place. Avoid eye contact. Refer to SDS for additional precautions or first aid measures. For institutional and commercial use only.
